## MEMORANDUM

TO: Mayor & City Council

From: Nate Bullard, P.E. – Director of Public Works/City Engineer

Date: September 5, 2019

RE: Water Main Break Roadway Repair

I am seeking the council's to purchase a new leaf box to install on one of our dump trucks from Bonnell Industries, Inc in the amount of \$6,973.00.

The leaf box is used to contain leaves in the back of a dump truck during leaf pickup in the fall. We currently run two crews during leaf pickup that vacuum up the leaves that residents drop off at the side of the roadway. We currently have one leaf box the is in great shape and one that has been piece milled, is falling apart, and no longer usable. The proposed new leaf box will mirror the good one that we currently have.

I propose that we pay for the Leaf Box with funds out of GL 01-310-65-7899 since we have reduced that amount it is costing us to dispose of the leaves.

Sincerely,

Nathan Bullard, P.E.
