

Soliciting during the COVID-19 Pandemic

Solicitors must adhere to the following COVID-19 precautionary practices:

- **Number of Solicitors Permitted:** no more than two (2) persons shall go upon or approach any premises at any one time for purposes of soliciting or peddling
- **Must Use Principal Approach and Entrance to Premise Only:** every solicitor shall approach premises only by using the property's principal approach route or path, and shall attempt to make contact with the occupants only at the principal entrance to the premises. No solicitor shall gain entry to any enclosed portion of the premises without invitation. Whether invited or not, the solicitor shall immediately and peacefully depart when requested to do so.
- **Social Distance at the Door:** knock on door and stand back at least 6' to converse with resident
- **Sanitizing:** solicitors shall have hand sanitizer and disposable wipes on their person
- **Personal Protection Equipment:** use of face mask on initial contact; use plastic gloves
- **Handouts:** flyers and door tags must be sanitized
- **Public Notification:** prior notification must be made of which neighborhoods sales teams will be in and when (mailers, social media, etc.)
